What is Option 4: _____

How To Sell Free Insurance: _____

The Script That Fills Your Schedule:

I would like to show you a process we have developed to help people _____ years (including _____) and create an annual _____ per year (until you are 100) ALL without _____ than you are currently spending every month!

How Do We Accomplish All Of This?

Consider this fact.....

An extra \$30 per month added to your your \$100,000 mortgage @ 5.5% will eliminate 41 mortgage payments!
